

ACTIVE

ACTIVE PLUS PULL-OUT KITCHEN FAUCET Model FF5800

Delivering exceptional functionality, Active faucets are designed for improved sustainability - actively saving both water and energy.

FEATURES

- Stepped lever helps you use less water, reducing your environmental impact.
- The laminar aerator fitted in the spout ensures the Active Taps delivers a crystal clear, non-splashing water stream, with very little noise.
- A dual function spray head delivers a more powerful stream thanks to the needle spray used.
